The Caravan Park will be the meeting area every morning with the Pines Golf Club to be Rally Headquarters.

Gympie is an old gold mining town therefore most Motels are 20 – 30 years old, but as above the oldest Motel, Nationwide, however is clean inside and outside the rooms.

At the Caravan park you are required to supply your own linen. Linen is available for an additional charge. \$6.00.

Most activities are on the North side of Gympie as indicated.

This Rally has been designed around Gympie, therefore driving will be kept to about 30kls overall. We are thinking of fuel costs for the distance travellers. We do go out of town but on alternate transport.

We do suggest you send your deposits in early to hold your accommodation, Gympie is a town that often has other sporting and conference meets and the accommodation fills fast.

Hope to see you all at Gympie.

Kevin Haynes.
